The Ironmongery Experts

**Fire Brigade Locks and
NKS Lock Range
(National Key Scheme)**
The complete Range

Instock Hardware is a wholesaler distributor and is part of the Frisco Sales UK group of companies.

We have been meeting the needs of Builders Merchants and Ironmongers for over 15 years. During this time we have helped our customers win business by providing objective product selection and scheduling for their clients and projects.

This brochure contains a complete range of Fire Brigade Locks and Keys and National Key Scheme products, also known as RADAR Locks.

All the Products in this brochure are manufactured to a high standard. Care has been taken in the design to ensure where necessary products are truly universal in their application.

Please contact the sales office for our other brochures;

- Branded Price List (Dorma, Geze, Exidor, Lockey, Borg, Redlam, Arrow, Kaba)
- Eclipse Architectural Ironmongery - A complete guide to Eclipse products and CE Products
- Anti - Ligature Range - A range of Stainless Steel products suitable for the Care Industry

To be included in our e-mail circulation please e-mail or call us.
